

## **CR5001 Maxfit® Cut Resistant Product Specification.**

### **Maxfit® CR5 Product Description.**

The product is a five finger glove, knitted with Nylon and Ultra High Molecular Weight Polyethylene. It is coated on the palm surface with a proprietary polymer, the back of the glove is an open knit and it is colored grey/metallic. It provides cut resistance to EN388 level 5 & very high abrasion resistance.

### **Applications.**

- ❖ Heavy Abrasion and Cut Resistant Work.
- ❖ High dexterity - good when a high degree of dexterity is needed without the normal bulk of protection.
- ❖ Where touch sensitivity is required at the same time as comfort and heavy abrasion and cut resistance.
- ❖ Where NeverSlip(tm) grip technology is needed when dealing with wet or oily components or where dropping an object can be a safety problem or a costly accident.
- ❖ When working frequently with sharp edges where a higher level of cut resistance is required to level 5.
- ❖ Working with stone or roofing where abrasion resistance of the highest level is required.

### **Technical Specifications.**

- ❖ General Purpose & Cut Resistant.
- ❖ Material: Nylon & UHMPE knit.
- ❖ Color: White.
- ❖ Cuff color Black.
- ❖ Palm coating: Black Polymer with enhanced NeverSlip(tm) technology.
- ❖ Sizes: S/M/L/XL.
- ❖ Packaging 12/dozen, 20 dozen/case, 240 pr/case.
- ❖ Case weight 29-35 lbs
- ❖ Case Dimensions: 25 x 11 x 15 inches
- ❖ EN388: 4543- Abrasion/Cut/Tear/Puncture (measured from 1 to 5) 5 is best).
- ❖ Dexterity Level 5 (measured from 1 to 5) 5 is best).
- ❖ Harmonized code: 6116.10.6500
- ❖ Country of Origin: China

### **Health & Environment.**

Maxfit® Hidex

Contains no materials in the palm coating identified in OSHA bulletin SHIB012808 that are associated with latex or Nitrile ingredient allergies.

Maxfit(r) gloves are washable and re-usable unlike most Leather, Nitrile and Latex products.

In some instances glove waste can be reduced by a factor of more than 10.

### **Wash & Re-use.**

Wash by hand or machine in normal cold or hot wash to remove dirt and oils.

Hang dry or machine dry at normal drier temperatures.

Can be washed and reused countless times with no shrinkage

### **Glove Dimensions.**

- ❖ Cuff length 80mm all sizes.

Size inches	Small	Medium	Large	
				Xlarge
Palm width A	3.0	3.1	3.5	3.7
Overall length B	8.3	8.7	9.4	9.7
Cuf width	2.4	3.0	3.1	3.2
